Dear Heilko + Hetty

We have all had a lovely and relaxing time and would love to come back one day. Thank you for being so welcoming and helpful. The chateau, children's play area, pool and golf course have meant that we have all been fully occupied!

See you again soon, we hope!

Best wishes

The Stimpson-Barnett family, England.

P.S. Your recommendations for restaurants were excellent!

P.P.S. Dad will always remember his eagle on the 6th and Peter/Dad his round in 33 !!
