Hiv i hane!

Chateau de Sadillac is a wonderful place to spend the holiday.

11 crazy Norwegians have had a lovely week, with a lot of good food, good wine and a lot of sun.

Helko and Hetty have contributed to our successful stay here, with their great hospitality, friendliness and high party factor.

Mandy and Jerk have been good ~~for~~ playing mates to Jan Otto (age 30) in the pool.

The golf-course has been used a lot, the norwegian record is 30. (Magne).

P.S: If you see a little boy, throw him in the pool! Jan Otto

Takk for oss!
