

12-July-02

One week was not enough! Some of our favorite things:

- \* The swimming pool - Emma 4 1/2 y.  
*The susan, the chick, and the whole chateau and the people!!!*
- \* The Targan rope - Nicholas 5 y *having fun!*
- \* Learning to play golf with my daddy - Sean 5 3/4 y
- + the chestboard & the baby swing - Alex 13 months
- + eating on the terrace, the sunflower fields, and the grapevines - Claudia (30+)
- + sunsets over the chateau viewed from the golf course - Evan, elder statesman of 40
- \* the babysitters! (Thank you Mandy & Louisa!), the great suggestions for things to do and places to eat, and the wonderfully warm welcome with wine - Mary - 30+
- \* the opportunity to play golf at any time of the day with such privacy allowed me to improve from someone who has played golf to someone that plays golf. Scoring 35 with the feeling that I actually could have done better was great for me at this stage. Mark 37 y.
- + running thru the countryside, the sunflower fields... in the future we should bring a LARGE supply of balls for hole #9! Johann & Margaret
- + the tractor & chess set ("kiddie impounds lot!") - Margot 1 y & Arman, 11 m
- + the golf course, the baby changing table!, the surroundings (fields of sunflowers...) - Marc & Maryam
