

From all of us - to all of you:

95/6-04

We expected lazy days, but saw none!

1. Visit to St. Emilion and Cognac
Wine tasting and cognac purchase
2. Tour of the local wineries
Degustation, degustation, degustation et
degustation. And some purchase.
3. Swimming in the pool and visit to the market
in Singleyrac. The sweet wine (again) was
marvellous!
4. Tour to the bastides and chateaux. And Sarlat
was a surprise.
5. Pizza and football in Eymet.
6. Shopping in Bergerac. Bodil found her wedding
dress.
7. Wonderful food and excellent dinner parties
at "our own" chateau de Sadiillac.
Could life get any better??

Merci, Heikko and Helky, for giving young

(9 yrs, 11 yrs, → 20, 30, 40, 50, 60, 70)

"and old" happy memories from La France.
