Dear Hedy & Heiko,

Thank you so much for sharing your beautiful chateau with us this summer. We had two splendid weeks, enjoying the sites, markets, eating/drinking, swimming, golf, & the bills. You are wonderful hosts & we ~~would~~ ^{look} forward to future visits.

Fondly,

A marvellous week basked in late Summer sunshine & perfect temperatures. Really could not have asked more. May be good sign "swimming pool cover" Love a long and happy life.

Fantastic holiday, thoroughly enjoyed the chateau, golf course, pool, and table tennis which got very competitive! Delicious food and wine (which needless to say ^{we} drank far too much of) Thank you both very much. Polly & Alf (Sandberg)
