

23rd April 2006

Dear Hetty and Hielko,

Many thanks for a wonderful time, we are already planning our return trip (sorry!). As the only pregnant member of the party, I am looking forward to forging myself on the mouldiest cheese available, washed down with gallons of your finest rosé.

Lots of love from
Karinna, Dave and Bubu

Dear Hetty and Hielko,

22nd April 2006

What a stunningly beautiful place in which new friendships were forged and old ones sealed. Thank-you so much for your hospitality especially the football which was much appreciated by the boys!
See you in June next year.

Love from,

Jennie & Niall xxx

Dear Hetty & Hielko,

22nd April '06.

Your home is as wonderful as the welcome you gave us. The golf is great. Low rounds of 31 for Niall & 32 for Dave were the best we could manage.
We have started naming the holes:

- No. 1 - Dave's folly.
- No. 2 - Telegraph Road.
- No. 5 - Top Hole!
- No. 6 - Dutch Courage (time to grab a beer before tackling the pond for the first time!)
- No. 9 - Vicar's Grief (I'll explain that next year).
